

Cov-Screen is the perfect solution for shops, petrol stations, pharmacies, reception areas and other outlets that need to mitigate the impact of COVID-19. It's a quality, cost effective freestanding or fixed acrylic screen, in 2 options. Made by Coveya, who have a reputation for design and manufacturing excellence. Its features include:

- A robust clear acrylic screen
- Includes a joining kit so any screen can be safely and securely joined at the edge to create longer barriers

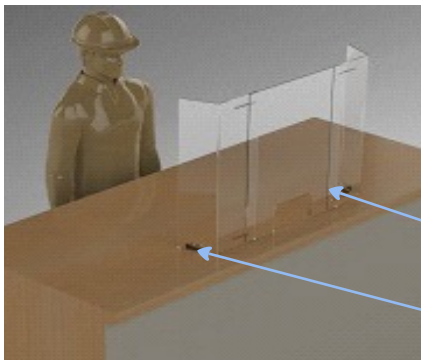

Robust, hygienic stainless steel 2-part base. Can be used as freestanding or has holes to allow fixing into floors for semi-permanent barriers.

Rear base component can be removed to allow fixing alongside counters etc.

Optional casters available.

Width adjustable panels

Unobtrusive fixing brackets
